## Step2® Recalls Children's Transportation Station Toys Due to Choking Hazard

WASHINGTON, D.C. – The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer products. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

**Name of product:** Sand & Water Transportation Station Toys

**Units:** About 56,000 in the United States (7,700 in Canada)

**Importer:** Step2 Company, of Streetsboro, Ohio

**Hazard:** The light blue plastic wheels on the train cars can detach, posing a choking hazard to young children.

**Incidents/Injuries:** None reported.

**Description:** The Step2 ® Sand & Water Transportation Station is a standalone play station for children ages two and up. The toy station consists of: a round blue plastic table, including train tracks, train cars in blue, red and yellow, toy sailboats and a hand rake/shovel. A red Step2 logo decal is on the side of the table. Train cars with grey wheels are not included in this recall.

**Sold at:** Target and other major retailers, specialty stores and by online retailers from December 2008 through June 2010 for between \$49 and \$59.

**Manufactured in:** United States

**Remedy:** Consumers should immediately take the train cars away from children and contact Step2 for free replacement cars.

**Consumer Contact:** For additional information, contact Step2 at (800) 347-8372 between 8 a.m. and 7 p.m. ET Monday through Friday or visit the firm's website at [www.step2.com](http://www.step2.com).

[Send the link for this page to a friend!](#) The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from thousands of types of consumer products under the agency's jurisdiction. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. The CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals - contributed significantly to the decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

To report a dangerous product or a product-related injury, call CPSC's Hotline at (800) 638-2772 or CPSC's teletypewriter at (800) 638-8270.
